Deven Mallamo

New Baltimore, Michigan | (586)-260-8870 | devenmallamo@gmail.com | LinkedIn | GitHub

Objective

Junior Computer Science student at Oakland University seeking a position as a Software Development Intern. Proficient in Java, JavaScript/TypeScript, Python, and other development tools. Passionate about creating, programming, learning new skills and tools, solving problems, and helping others.

Education

Oakland University | GPA: 3.95 | Expected Graduation: May 2025
Bachelor of Science in Computer Science, Bachelor of Arts in Piano Performance

Projects

Metronome/Tuner App
- Developing a mobile app for Android and iOS using React Native and Typescript that will enable musicians to practice tuning and rhythm, and to create custom presets for specific songs.

MoreBosses Minecraft Mod
- Utilized Java concepts and Gradle development to implement 2 additional boss fights into the traditional Minecraft experience, resulting in 700+ downloads.

Sophomore Project
- Created a desktop application with the JavaFX/FXML library that allowed the user to create a to-do list, track the progress of tasks and search for tasks by the due date.

Technical Skills

Programming Languages - JavaScript/TypeScript, Java, Python, C#, SQL
Frameworks/Libraries - React Native, Jest, JUnit, JavaFX/FXML
Tools - Git/GitHub/Git Bash, Visual Studio Code, Visual Studios, IntelliJ, PyCharm, NetBeans, Eclipse

Work Experience

Music Theory Tutor/Piano Teacher

Oakland University - Rochester, MI   September 2022 - Present

Music Stadium Center Inc - Macomb, MI   February 2016 - August 2021
